BUDGET INFORMATION REQUEST (BIR) - Fire Hall 4 Opening Date
Requested by: Councillor Hughes
Date of Request: October 25, 2026
Date Response Due: October 30, 2026
Confidential: No

QUESTION
What is the expected opening month of Fire Hall 4?

RESPONSE

Completion of Firehall 4 is currently anticipated for the first quarter of 2028 (January to March). The opening month has not yet been established and will be refined as construction progresses. Construction activities for the new fire hall have begun with stripping and grading of the site. We anticipate up to an 18-month timeframe for construction completion, weather dependent.
