Can administration please advise if the \$30,000 Alberta Community Policing Grant is still available to municipalities.

RESPONSE

Administration has confirmed that the \$30,000 Alberta Community Policing Grant program was discontinued effective March 31, 2025, with no replacement funding currently available through provincial grant programs.

Through our municipal networks, we have learned that communities seeking support for policing model assessments or transition planning may submit proposals directly to the Minister's office for consideration.

Administration would be pleased to assist Council with any follow-up requests or correspondence regarding this matter.
