## **INFORMATION REQUEST (IR) - Municipal Parking Lots**

Requested by: Councillor Killick

Date of Request: May 13, 2025

Date Response Due: June 12, 2025

Confidential Response: No

### **QUESTION**

Please provide a list of the 13 unpaved municipal parking lots and if they are primarily for City use (i.e. public works yard) or public use (i.e. Lacombe Lake). Data is requested to support a possible PM.

### **RESPONSE**

Please find attached to this response a map sharing locations of existing municipal gravel parking lots, with locations, name of parking lot, and applicable key stakeholders (representing use of the parking lot).

For clarity, a total of sixteen (16) municipal gravel parking lot structures have been identified in this exercise. The variance in quantity (from the request of 13), is reflective of the state of maturity of the asset management programming for gravel structures to which multiple opportunities of improvement exist.
